

Hi there!

Welcome to ...

We are so glad that you can join us!

Following are the instructions for the crafts and activities, and, of course, the story!

- Scissors
- Crayons, or washable markers, or pencil crayons

Here is the link for the ZOOM:

Topic: October Messy Church

Time: Oct. 6, 2020 06:10 PM Winnipeg

<https://us02web.zoom.us/j/7538449219>

And, here are the activities in preparation for our ZOOM. Have fun making, and doing, and hopefully we can show each other what we have done!

For dinner, we suggest tomato soup – after all, the story is about crossing the Red Sea!!

ACTIVITIES:

- Make a 'staff' like Moses had
- Create a 'burning bush' picture
- Take a break with an edible snack that parts the Red Sea (hint – that's the next part of the story!) Please take a picture of your snack and we can 'screen-share'.
- Make a bookmark – the people were led by God's 'pillar of cloud by day, and pillar of fire by night'. (hint – that's also in the next part of the story)
- Do a wordsearch (this one is for the readers – including adults!)
- Find your way through a maze
- Discover the secret message in the colouring puzzle

When we ZOOM, we will pause **another craft** that we will all do at the same time, and then talk about together.

And, there will be **Messy Science** (to do this one at home you will need a glass of water, a shaker of pepper, and a bottle of dish soap – you can also just watch it as a demonstration if you wish).

And, there will be **MUSIC!**

So – here we go!! Have a great time – we will be so glad to see you next week!

Make a 'STAFF' like Moses had!

A staff is a tool that shepherds use to help herd the sheep. A hook to catch straying sheep and a rod end to help the shepherd walk on rocky ground. Moses was a shepherd who carried a staff.

Using items at home, make a staff to be like Moses. It can be made of Lego, a cardboard roll or stick that you find outside.

Colour or decorate it as you want!

Moses and the burning bush

Options:

Draw a bush, and colour it brightly as if it is both growing and on fire (what colours would you use?)

On cardboard, or heavy paper, draw a bush and then glue scrunched up small bits of tissue paper in many colours to show the bush both growing and on fire.

Gather small sticks from outside and make a bush and add tissue paper, or fabric, or ... use your creativity!

And, if you prefer, colour this picture:

Take a break and have a snack!

Recipe 1 – Parting the Red Sea Bread

You will need 1 slice of bread per person

Cover with peanut butter, wow butter, almond spread or hazelnut spread

On the sides of your bread use strawberry, raspberry, grape or blueberry jam to make a 'red sea water'.

Down the middle of your bread, sprinkle brown or white sugar and if you like to make 'sand'.

(You can sprinkle the sugar with cinnamon).

Recipe 2 – Parting the Red Sea Graham Crackers

You will need one cracker per person and some coloured icing

Cover both edges of the graham cracker with blue or red icing

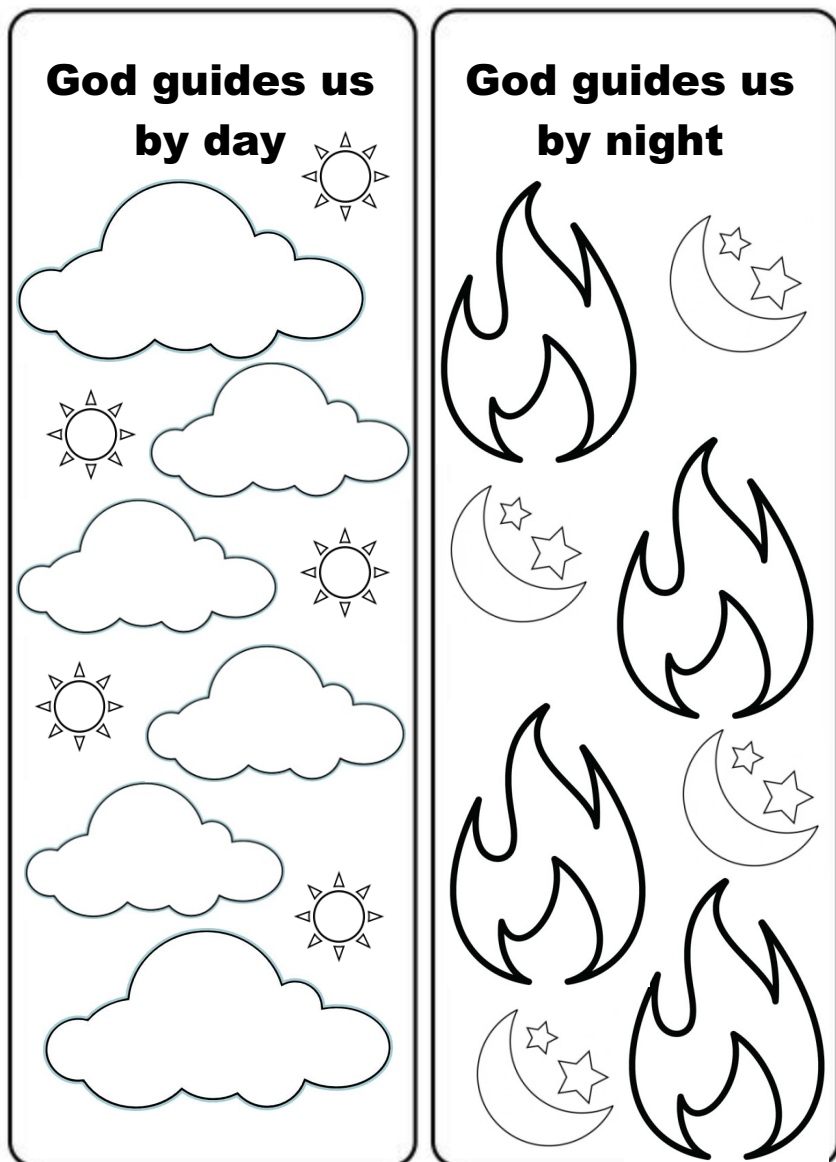

Option: Add some gold fish on the icing

God Guides Us Bookmarks

(print and colour this page, then cut out and glue back to back – you can also cut out the outside edge and fold them back to back)

The pages that follow are also for printing and enjoying!

7. The Burning Bush

Can you lead Moses to the
burning bush?

Red C, Red Sea!

**God's People
Cross the
Red Sea**

— Exodus 14

Use a red crayon or marker to color every box containing the letter "C."
Transfer the leftover letters in order, row by row, to the spaces below to find out
what Moses told God's people when it was time for them to cross the Red Sea.
