

## Musical Accompanist Posting

**Transcona Memorial United Church** is seeking a Musical Accompanist for our music ministry program, to begin September 2022.

We are looking for an individual who is interested in working as a part of the music ministry team, responsible for bringing weekly musical worship to our congregation and our wider online community. Both an organ and a piano are available in the sanctuary for Sunday services and an upright piano in the choir room adjacent to the sanctuary is provided for practice needs as well.

The responsibilities and tasks of the accompanist may include, but are not limited to, the following:

- Music accompanist for choir rehearsal(s), held during the week (day(s) TBD)
- Music accompanist for Sunday services, providing musical leadership for both the congregation and choir.
- Potential to be a music accompanist for special services on weekday/weekends, for example, but not limited to, weddings and funerals.
- Active member of the music ministry team responsible for planning and selecting music and hymns.

On average, it is expected that the responsibilities of the Musical Accompanist will be four to six hours per week. *(This is subject to change as more of our congregation returns to the church due to the lessening restrictions of Covid.)*

All interested candidates are asked to forward a letter of intent, including a brief resume to [transconauc@gmail.com](mailto:transconauc@gmail.com) by **Friday August 12, 2022**.
